Handheld Explosives
Detector
JP5 Generator
Walk-Thru Metal Detector

Handheld
Explosives
Detector

Walk-Thru
Metal Detector

Anti- Terrorism Afloat (AT-A) Shipboard Physical Security Equipment

Current AT PSE AELs

These AELs supersedes all other Shipboard Physical
Security AELs

320024501 320024502 320024503
Additional AT/FP items on separate AEL/ APLS

<u>Material</u>	<u>Status</u>
Handheld Explosive Detection Device (HHEDD) AEL 2-320024560	Funding at NSWC Crane to continue procurement and develop ILS plan
Radios(XTS 3000/5000) APL 00900A536	Funding at NSWC Crane to continue procurement and develop ILS plan
Walkthrough Metal Detector*	Procurement awarded by NSWC Crane
Baggage Scanners**	Procurement in process awaiting selection and testing by NSWC Crane

* **Note: Walk Thru Metal Detectors will not be on MCM/MHC/MCM
SSN/SSBN AELs**

* * **Note: Baggage Scanners will be on CV/CVN LHA/LHD AELs only**

Anti -Terrorism Afloat (AT-A) Shipboard Physical Security Equipment

AEL Technical ILS Issues

Item

Issue

- Concealed Body Armour
 - Ballistic fabric defects-breaks down at high temperatures
NIJ conducting testing
 - Ballistic Panels -contains foreign fibers
SEA04L researching substitutes

- Tactical Flotation Vest
 - COMSUBLANT/COMSUBPAC messages DTG 190905Z NOV02/
112309Z DEC 02 deleted from SUB AEL
 - FFC/CATNSF gathering requirements for replacement vest for
SUBS
 - COMFLTFORCOM Msg DTG 29151Z FEB 03 approved vest for
AT/FP and VBSS missions on Surface Ships
 - Surface Ships to received extra vest removed from Subs
 - Replacing current Holster, Mag Pouches and adding Web Belt
Procurement to begin Mar 04
NAVSEA Msg to advice on ASI and ordering Procedures
FFC message to provide instructions for replacements

Anti-Terrorism Afloat (AT-A) Shipboard Physical Security Equipment

Funding Profile

- **FY 04 (OPN)
(OPN)**

- FY 04-\$1.0M

PR 05

FY 05-\$400K

- **CAP 06 (OPN) New Requirements**

- FY 06-\$11.3M
 - FY 07-\$10.8M
 - FY 08-\$2.2M
 - FY 09-\$2.6M
 - FY 10-\$2.4M

Antiterrorism/Force Protection(AT-A) Shipboard Physical Security Equipment Summary

- **Continue Dialogue with FFC to Determine Actual Fleet Requirements**
 - Fleet Feedback on Current Items/Replacements
- **Define Future Funding Levels and Sources**
 - CAP 06 Submit Dec 03 - waiting on Sponsor results
